**Pledge to go car free or car-lite and  
be eligible to WIN PRIZES!**

Using cars less helps conserve energy,  
reduce traffic, reduce harmful emissions,  
reduce parking problems and save money!

*Car Free Day is an international event celebrated every September. People are encouraged to use sustainable modes of transportation such as riding the bus, train, carpooling, biking and walking.*

Pledge today to help your town, school, or organization get the most pledges to **WIN** Green bragging rights!
